**RHEUMATISM PARALYSES, DEAF-
NESS, AND ALL NERVOUS
DISEASES,**

Effectually Cured by Magnetism.

I N NERVOUS EXHAUSTION, as shown
by Indigestion, Drowsiness, Unrefreshed
Sleep, Lowness of Spirits, Weakness in the
Loins, Weakness of the Body, Horrible
Dreams, &c., &c., this treatment is a CER-
TAIN CURE.

MAGNETISM is an element in life, and
life cannot be sustained without it. Mag-
netism searches out the morbid humors of
the body, gives fresh life to the blood and
fresh vigor to the entire system; the mental
faculties recover tone; the intellect brightens,
memory regains its capacity, and with the
brain and nerves the whole system is re-
stored to a strong and healthy condition.

When we are deficient of magnetism we
are sick, when the magnetic forces entirely
leave the body we die.

Patients can be treated at a distance. Mag-
netic appliances, &c.

Testimonial to Mr Mumford, 85 Clarendon
street, Emerald Hill. — This is to certify that
I, the undersigned, have been suffering for
6 months from an offensive discharge of the
ears, accompanied with great pain and par-
tial deafness; my general health was also
very bad. I tried almost everything that
was recommended; I was also under the
treatment of Dr. Gray, who failed to do me
any good. One month of Mr Mumford's
treatment has thoroughly cured me, for
which I feel very grateful.
